

As a rule, opposite facing logos (97.5mm apart) do not work well because bottles are not full wrapped.  
Co-ordinates given separate the printable area into even sections. Bottle Circumference is 195mm

**DRINKS LIST**  
Still Water  
Drinks List, PE30-4LS  
330ml  
Bottled at source this refreshing natural water comes from a spring where the rolling hills of Herefordshire meet the Black Mountains of Wales. Best enjoyed chilled on the day of opening. Store in a cool place out of sunlight. Best before end: see bottle neck.
