Due to our print process, printing some inks onto coloured tees will result in the base tee colour showing through the print, resulting in an off coloured appearance that is impossible to show at the proof stage.

Please allow 10 working days from the date of approval for your order to be printed.

Please check that all aspects of this proof are correct before approving, as we cannot accept responsibility for your approval of incorrect artwork.

Colours on screen do not accurately represent the actual pantone colour. Please refer to a pantone book for accurate representation.

**Please note:** Due to various print processes & substrates we cannot guarantee an exact colour match across multiple products. I.e (Digital, Rotary, Embroidery & Dye Sublimation) will not appear exactly the same.
